All Homes form part of a Management Company

The Management Company Service Charge :

The management company is responsible for the maintenance schedule and 3rd party insurances relating to the open space including the maintenance of the surface water attenuation basin, headwalls and flow control manhole, as well as the first 20m downstream section of the watercourse on the development. The management company will provide financial statements each year.

The estimated budget for the service charge will be £300.00 per year with the initial management fees to be paid upon completion of your home.
